

## Content Part "List (Table)"

**List (table):** Here you can enter individual list-items, which will comprise a simple bulleted list. Enter each list-item on a new line.

Below you will see an example, where we added 6 rows.

list item 1  
list item 2  
list item 3  
list item 4  
list item 5  
list item 6

The Image you see at the begin of each row , you will find on your webspace / server at "img/article/bullet\_1.gif".

### example: list table

-  list item 1
-  list item 2
-  list item 3
-  list item 4
-  list item 5
-  list item 6
